

## **ASSISTANT TECHNICIAN**

**\*\* No experience needed \*\***

The helper position is a rewarding manual job.

This is an entry position in which the employee will be building up the expertise needed to become a technician and the starting salary is \$19/hour.

The technician's job is to clean, maintain, and diagnose issues with drains and sewers relative to buildings. It is important for the helpers and technicians to be courteous (have a positive contact with customers) and to place a high importance on the quality of the services offered.

Must be able to fill short reports. Having a valid Class 5 driver license will be considered an asset.

We are looking for someone who enjoys manual work but also has good analytical skills and sound judgement, and who is resourceful, meticulous, disciplined and hardworking.

We offer:

- Collective insurance paid 50/50
- Life insurance
- Opt-in dental insurance available
- RRSP with employer contribution
- Company t-shirts provided
- Work boots provided for free after 5 months of employment
- Cell phone allocation
- Additional paid days off

Job type: full-time, permanent

Salary: \$19 per hour

Benefits:

- Company events
- On-site parking
- Paid time off

Schedule:

- 8-hour shifts
- Weekend availability
- Ability to commute/relocate in Montréal, QC H1J 1P7  
Reliably commute or plan to relocate before starting work (required)

Other language: French (preferred)

Driving license (preferred)
